*The California Electronic Waste Recycling Act requires that Lenovo and other retailers charge a recycle fee on certain "covered electronic devices" sold in California, including video display products such as computer monitors, notebook computers, and digital picture frames. These fees are determined by the State of California and vary by product screen size. For additional information please see Lenovo's environmental webpages.

**An estimated ship date will be posted on our order status site after your order is placed. The date reflected above does not determine when your order will ship since inventory status may change before your order is final and because items may be held until all products on the order are ready to ship. To obtain the latest information about the availability of a specific part number, please call the phone number listed in the masthead at the top of this page. A flat charge for shipping & handling may apply for certain orders, as indicated on the Checkout page.

***The IBM Financing Advantage program is for commercial clients with more than 25 employees for acquisitions up to \$300,000. Actual rates are based on a clients credit rating, financing terms, offering type, equipment type and options. Other restrictions may apply. Rates and offerings are subject to change, extension or withdrawal without notice. IBM Global Financing offerings are provided through IBM Credit LLC in the United States, IBM Canada Ltd. in Canada, and other IBM subsidiaries and division worldwide to qualified commercial and government customers. Lease options for businesses with less than 25 employees are offered and administered in the United States and Canada by third party providers and are not affiliated with IBM Credit LLC or IBM Canada Ltd offerings or programs. Minimum transaction size is \$5,000 for businesses with fewer than 25 employees. All terms and conditions are provided by the third party providers and are not part of IBM Canada Ltd. offerings or programs.
